By Anne Butler : River Road Plantation Country Cookbook river road plantation country cookbook has 3 ratings and 1 review heather said i loved this book part historypart travel for meand part recipe river road plantation country cookbook by anne butler cooking regional and ethnic american southern states 256 River Road Plantation Country Cookbook:

0 of 0 review helpful Another winner By NanaJ Once again Anne Butler has given us more than a cookbook As with her other cookbooks River Road Plantation Country Cookbook actually has as much historical information and pictures as it does great southern recipes It s an interesting read especially if you enjoy visiting or just learning about the River Road plantations I would recommend this book along with all of he Food is central in the picturesque

plantation country along the Mississippi River in Louisiana between Baton Rouge and the Gulf of Mexico In addition to wonderful local recipes this cookbook includes history humor people and places Vintage photographs of the area and its citizens help make this much more than a cookbook A trip down the River Road immerses visitors in the spirit of Louisiana introducing them to the characters who populate the region the elegant From the Inside Flap Anne Butler's series of cookbooks contains much more than recipes Anne is a raconteur who weaves history customs architecture photography people and recipes into intriguing tales of Louisiana lore Her most recent addition to the series
