0 of 0 review helpful This book is an absolute gem By Linda Boynton I bought this for my boss s 80th birthday he grew up around Caddo Lake the only natural lake in Texas and still goes there to fish and just hang out with pals He was stunned by the photography and every time he visits his friends there he takes it with him to show it off It s become almost like his personal autograph book everyone signs their fav In a stunning tribute to one of Texas rsquo most enigmatic waterways a veteran East Texas historian and a professional photographer have together created an homage to a lake like no other mdash half Texas half Louisiana a swampy labyrinth of bald cypress and water plants filled with mystery legend and a staggering amount of biological complexity Classified as a Category 1 Habitat for wildlife by the US Fish and Wildlife Service and encompassing a stat ldquo Texas has only one lake the rest are mere reservoirs A tangle of swamp forest blackwater creeks brush thick islands and water lily covered open water Caddo

Lake haunts those who come to know it Unfortunately few do know it The sprawling Ca
