0 of 0 review helpful Not Great By A Doctor in Ann Arbor I didn't find this much more useful than free sites on the web I like travel guides to have more of a point of view and personality This seemed more like lists of hotels restaurants etc with basic information from the web It was nice to have physical book to hold and dog ear but not very satisfying This full color handbook includes vibrant photos and easy to use maps to help with trip planning New Orleans native Laura Martone offers an insider's take on the Big Easy from shopping on Magazine Street to listening to old time jazz in Faubourg Marigny Martone also includes a handful of fun trip itinerary ideas including A Romantic Weekend Mardi Gras and Haunted New Orleans With tips on taking carriage rides through the French Quarter visiting About the Author A native of New Orleans Laura Martone has been an avid traveler since childhood When she was growing up she and her mother would often take long road trips to fascinating U S destinations such as Monticello and the Rocky Mountain
